# Citizenship!

## Being a Good Neighbor

A neighborhood is made up of other people who are affected by you and what you do just as you are affected by them. It is important that each person in the neighborhood acts in a way that does not take away the rights of the other people there. This is what being a good citizen in the neighborhood is all about.

# **Citizenship!**

## **Being a Good Citizen at School**

**Circle your answer.**

- |   |     |    |
|---|-----|----|
